

# MARCH 2010 BLOCK OF THE MONTH

## SCRAPPY SHAMROCK

A= 12- 3 1/2" GREEN SQUARES

B= 9- 2 3/8" LIGHT SQUARES

C= 1- 6 1/2" GREEN SQUARE

D= 2- 5 1/2" LIGHT SQUARES

E= 1- 4 1/2" LIGHT SQUARES

### Assembly:

Take 9 of the 3 1/2" green squares and 9 of the 2 3/8" light squares. Place the light square on the green square and sew a diagonal through the light square. Press to create a snowball effect on one corner of the green square. Do this on 9 squares.

Next assemble 3 four patch blocks using 1 plain green square and three snowball squares as shown in the diagram and photo.

### Assemble stem:

Using the 6 1/2" green square lay one 5 1/2" light square on right corner top side of the green square and sew diagonal from upper left corner to lower right corner. Press out to create snowball effect. Do same with other 5 1/2" light square placing it on lower left bottom corner of same 6 1/2" green square and sew from upper left corner to lower right corner of the light 5 1/2" square. Again press out to create snowball effect and creating a stem.

Next take the light 4 1/2" square and place it in the lower corner of the square and sew a diagonal to shorten the stem.

Assemble all pieces to create your scrappy shamrock!
